7/6/18

Checking \$ 48,738.00

Savings \$ 96,980.35

Total \$ 145,718.35

Expenses:

Credit Card Services \$ 125.22

Scholarship pass through \$ 9,991.76

Plant Camp \$ 3,000.00

Eventbrite \$ 445.39

Website \$ 2,199.00

Banner \$ 648.51

Printing \$ 3,346.81

Postage \$ 710.41

Total \$ 20,467.10

Net Income (loss) \$ (4,461.24)

4/10-7/5/18

Income

Membership \$ 35.00

Registration \$ 1,330.00

Advertising \$ 6,786.00

Sponsorship \$ 7,750.00

Scholarship \$ 100.00

Interest \$ 4.86

Total \$ 16,005.86

SECRETARY'S REPORT: no report

EDITOR'S REPORT: the board reviewed the current opening for the editor's position, An advertisement will be in the next newsletter, and addressed at the annual meeting.

President Keith Mangus asked for an approval of the officers reports, Kelli Gladding made a motion to approve, Scott Jackson seconded, the motion passed unanimously.

AUDITING: Keshav Setaram concurred the treasurers report

AWARDS: Scott Glasscock requested from the board \$3500 for the awards budget, Andy Fuhrman made a motion to approve \$3500.00, Kelli seconded the motion, the motion passed unanimously.

BY-LAWS:

ARTICLE VI - OFFICERS

Section 1. Officers of the Society shall be:

- (a) President
- (b) President Elect,
- (c) Past President,
- (d) Treasurer,
- (e) Secretary,
- (f) Editor.

REVIEW OF THE 3RD QUARTER MINUTES

Section 8. Society officers (except Editor) and directors shall be selected from the membership and be active members of the Society for three consecutive years immediately prior to nomination. The Officer position of Editor shall only be required to be an active member of FAPMS immediately prior to nomination.

Robbie Lovestrand made a motion to approve the by-law changes, Scott Jackson seconded the motion the motion passed unanimously.

Stephanie McCarty addressed with the board she will retire from the by-laws committee.

EDUCATION & OUTREACH: Kelli Gladding gave a brief update, on the FAPMS presence at the Aquatic weed short course, and discussed he flyers for FLMS and the FAPMS annual conference

GOVERNMENTAL AFFAIRS: No report

HISTORICAL: Andy Fuhrman stated everything is up to date

Local Arrangements 2018 begins the new rotation of meeting sites beginning in Daytona and then rotated to St Petersburg every other year

MERCHANDISING: Andy Fuhrman gave a review of the giveaway item for the annual conference

NOMINATING: Past president Andy Fuhrman gave a review of the nomination slate, Kelli Gladding made a motion to approve the nomination slate, Randy Snyder seconded the motion, the motion passed unanimously.

PROGRAM: The deadline to submit Abstracts and Bios is July 31st.

- We have abstracts and bios from 10 out of approx. 28 presenters not including Product Updates.
- Currently, we only have 1 applicator talk thanks to SJRWMD.
- We also have tentative commitments for 8 student presentations but have not received abstracts or bios from them.

Questions:

1. Are we offering Student Presenters ½ off their registration? Student presenters will have a waived registration, and banquet ticket, membership dues are not included.
2. What time do you want to schedule the FAPMS BOD meeting on Monday 2? 3? BOD meeting set for 2

Kris reviewed with the board the draft for the annual conference program. A final draft will be available mid August.

RESOURCE & DEMONSTRATION: no report

SCHOLARSHIP: Secretary/Treasurer

Keshav Setaram reported there would only be one scholarship offered this year, there were 7 applicants reviewed. Keshav also reported that Dr Mike Netherland will be stepping down from his current position, Jennifer Myers suggested Jerry Renney to fill the position. Scott Jackson asked the organization outline of the scholarship foundation. Jennifer Myers asked for a financial request for funds, and asked for better communication from the scholarship foundation to the FAPMS board of directors.

Jeff Holland made a motion to approve an additional \$5,000 donation to the Scholarship foundation, Scott Jackson seconded the motion, the motion passed unanimously.

VENDOR: Scott Jackson reported the online portal to sponsor is up and running and we have several companies that have participated thus far.

REVIEW OF THE 3RD QUARTER MINUTES

WEBSITE: no report

OLD BUSINESS:

Scholarship donation

NEW BUSINESS: Scott Jackson will be attending the national APMS meeting and will speak on behalf of the society.

Jerry Renney will be giving a talk on behalf of FAPMS on the applicators perspective at the national waterfowlers association, in Ocala August 10th.

SITE AND TIME SELECTION FOR NEXT MEETING:

Suggested for October 15th, 2:00 p.m.

ADJOURN:

Scott Jackson Made a motion to adjourn, Bill Kurth seconded the motion, the motion passed unanimously.

Meeting adjourned at 11:50 A.M

POTENTIAL FAPMS VENDOR

Dear Potential FAPMS Vendor,

The Florida Aquatic Plant Management Society (FAPMS) 42nd Annual Conference will be held October 15 - 18, 2018 at the Hilton Daytona Beach Oceanfront Resort in Daytona Beach, FL and we are excited to present our new, more convenient and faster way to register and...sponsor! Going forward for 2018, all registrations and sponsorships will be submitted via Eventbrite at <https://www.eventbrite.com/e/fapms-annual-conference-tickets-46995871918> .

As such, vendor support has always been critical to the success of this meeting and FAPMS- 2018 will be no exception. Your generous contributions will be most appreciated! As always, this meeting will provide an excellent forum for you to exhibit your goods and services, as well as interact with key individuals and organizations involved in aquatic plant management in the state of Florida. The deadline to sponsor and receive recognition in the printed program is **September 12, 2018**.

Additional information can be found at the FAPMS website: www.fapms.org. Register today! If you have any questions, call me at 561-402-0682 or e-mail me at scott.jackson@syngenta.com. Please mark your calendar for this great event and we look forward to seeing you in Daytona Beach in October!

All the best,

Scott Jackson

2018 FAPMS Vendor Chair

Board of Directors Officer-3rd Year

NOMINATION SLATE

PRESIDENT ELECT

Scott Jackson:

Scott brings over 20 years of experience in wetland and aquatic systems and represents Syngenta's line of aquatic invasive weed management products in the US Southeast. Prior to joining Syngenta in 2013 as the Southeast Aquatics Territory Manager, Scott worked for DB Environmental, Inc. beginning in 1998. As part of a company considered a recognized industry leader in wetland biogeochemistry while undertaking "the world's largest ecosystem restoration" in the Florida Everglades, he led a team of biologists as General Manager of South Florida Operations. Scott earned his Masters of Science Degree from the University of Florida in Soil & Water Science and before that his Bachelors of Science Degree from Delaware Valley College in Doylestown, PA.

Scott has served since 2013 as Vendor Chair for Florida Aquatic Plant Management Society (FAPMS) and as a board member since 2015. He is currently president of South Florida Aquatic Plant Management Society (SFAPMS) and is president elect for Mid South Aquatic Plant Management Society (MSAPMS). Currently he resides in Palm Beach Gardens, Florida with his wife and two boys.

DIRECTORS

Samantha Yuan joined FWC's Invasive Plant Management Section (IPMS) in 2016 as the Research and Outreach Manager. She is responsible for administering and contracting all of the research and outreach projects that the IPMS oversees. She also serves as the Section's Early Detection & Rapid Response Coordinator and Public Waters Grass Carp Coordinator. In addition, she maintains the Section's website and responds to online inquiries from "AskFWC" and other social media platforms. In 2017, she joined FISP as one of the co-chairs. She holds bachelor's and master's degrees in Biology from University of Central Florida. Contact Samantha if you have a great idea for sharing invasive species information. She is always looking for new outreach ideas and opportunities.

Todd Olson has served the industry for 27 years providing lake management, wetland/upland restoration and vegetation management throughout the southeast. He has a Fisheries and Wildlife Biology degree from Iowa State University and is currently employed at Aquatic Vegetation Control, Inc. Todd has served the Florida Aquatic Plant Management Society as secretary (2000-2003) and board member (2003-2005).

James Boggs Jr. graduated from Vincennes University and United States Warrant Officer Career College in 2002. James served in various commercial and technical roles since 1992 within the aquatics and agricultural industries, and is currently Branch Manager for the Florida IVM Market of Helena Agri-Enterprises, LLC. James holds a commercial applicators license for Aquatics, Right-of-way and Natural areas.

James is currently serving as a board director for *South Florida Aquatic Plant Management Society since 2006*. Has been a member of *Florida Aquatic Plant Management Society* since 2003, servicing as a board of director from 2010 to 2012 then President in 2014. Currently the Vice President of *Invasive Plant Management Association*. Also is a member of *Florida Exotic Plant Pest Council, Florida Vegetation Management Association, Florida Association of Special Districts* and *Florida Lakes Management Society*.

James has served in the US Army and Florida Army National Guard from 1985 to 2016, and retired as a Chief Warrant Officer as a Battalion Targeting Officer. James has served as a certified instructor for Training and Doctrine Command (TRADOC). TRADOC is responsible for all training in the U.S. Army.

42ND FAPMS ANNUAL TRAINING CONFERENCE

Florida Aquatic Plant Management Society

42nd FAPMS Annual Training Conference Schedule

Oct 16th Tuesday AM Session 1 (Where We Are and Where We are Going...) 100 mins

10:00	10:15	Keith Mangus	Presidential address, local arrangements, announcements
10:15	10:40	Bill Haller	KEYNOTE SPEAKER-- Five decades of progress (?) in aquatic weed control in Florida
10:40	11:00	Ryan Hamm	Florida's Aquatic Invasive Plant Management: The Sportsman's View
11:00	11:20	Ian Pflingsten	Assessing post-hurricane potential spread of aquatic non-native plants in Florida
11:20	11:30	Sam Yuan	The history, present, and future of the FWC Invasive Plant Management Section: Research and Outreach Program
11:30	11:40	Rick Clark	Florida's Aquatic Plant Management Program
11:40	11:55	Craig Aguillard	Aquatic Plant Management Society Update
11:55	1:20	Lunch on your own **Women of Aquatics Luncheon**	

Oct 16th Tuesday PM1 Session 2 (Exciting Discoveries in Natural Areas...) 100 mins

1:20	1:25	Raffle Drawing	
1:25	1:50	Sherry Williams	Florida Exotic Pest Plant Council, What It's All About
1:50	2:15	Mike Terry (Appl)	Exciting Test plots and Treatment Result with Method 240 SL in Natural Areas
2:15	2:40	Jonathan Glueckert	Promising new herbicide technologies for the management of Old World Climbing Fern
2:40	3:05	Jessica Solomon* (SE)	Controlling the ever-multiplying Kalanchoe in beach dunes
3:05	3:25	Break	

Oct 16th Tuesday PM2 Session 3 (Much to do About Aquatic Plants...) 115 mins

3:25	3:30	Raffle Drawing	
3:30	4:20	Various Label Updates (Scott Jackson leading) (+15 Syngenta, +20 UPI, +15 Helena)	
4:20	4:40	Dail Laughinghouse	Lyngbya
4:40	5:00	Kevin Grace	Calcium substrates used to control plant growth and reduce water column phosphorus in wetlands treating agricultural runoff
5:00	5:15	Alex Dew	New FWC Waterbody Data Map
5:15	5:25	Jim Godfrey (Appl)	ProcellaCOR Study Work
5:25	6:00	VENDOR ROOM	Poster Judging x5
6:00	8:00	Presidential Reception	

42ND FAPMS ANNUAL TRAINING CONFERENCE

Oct 17th Wednesday AM1 Session 4 (Herbicides and Their Targets...) 100 mins

8:00	8:05	Raffle Drawing	
8:05	8:55	Various Label Updates (Scott Jackson leading) (+10 Lake & Wetland, +10 CPS, +10 BioSafe, +15 SePRO)	
8:55	9:45	Enloe and MacDonald	The aquatic weed control herbicide challenge (50 min Interactive)
9:45	10:10	Tina Bond	Adjuvants - What you need to know
10:10	10:30	Break	

Oct 17th Wednesday AM2 Session 5 (Plant Management for Plant Managers...) 100 mins

10:30	10:35	Raffle Drawing	
10:35	11:00	Mohsen Tootoochi* (LG)	How much salt can kill Hydrilla and Eelgrass?!
11:00	11:25	Jason Cull (Appl)	Early Field Application Results Using Procellacor on Various Aquatic Plants
11:25	11:50	Ian Markovich * (LG)	Crested Floatingheart Ramet Viability and Management
11:50	12:15	Joseph Sigmon* (LG)	Herbicide efficacy on hygrophila, cabomba, and crested floating heart
12:15	1:15	Lunch on your own	

Oct 17th Wednesday PM1 Session 6 (Safety and Invasives...) 100 mins

1:15	1:20	Raffle Drawing	
1:20	1:45	Bill Haller	The exotic Island Apple Snail-Kissimmee Grass Connection
1:45	2:10	Stephen Montgomery	Working in the public eye
2:10	3:00	Morrow & Chase	Boating Law and Responsibilities
3:00	3:25	Break	

Oct 17th Wednesday PM2 Session 7 (Tools in the Tool Box...) 100 mins

3:10	3:15	Raffle Drawing	
3:15	3:30	Keith Mangus	FAPMS Business Meeting
3:30	3:55	Lyn Gettys	Pesky Natives
3:55	4:20	Fred Fishel	Water: The smallest factor that makes the greatest difference
4:20	5:10	Various	Equipment Demonstration
5:30	6:30	Duck Races	
6:30	8:30	Awards Banquet	

42ND FAPMS ANNUAL TRAINING CONFERENCE

Oct 18th Thursday AM1 Session 8 (Aquatic Weeds, Friend or Foe...)

100 mins

8:00	8:05	Raffle Drawing	
8:05	8:25	Kaitlyn Quincy* (SE)	Field and mesocosm evaluations of graminicides on <i>Hymenachne amplexicaulis</i> , West Indian marsh grass: control and non-target effects
8:25	8:45	Samuel Mwemda *	Construction of Treatment Wetland to Reduce Nutrient Loading from Stormwater Runoff into Coastal Waters
8:45	9:05	Susanna Toledo	Fire in the wetlands
9:05	9:25	Maria Isabel Pozzo*	Behavior invasive of local aquatic plants in a lagoon of the Colombian Caribbean
9:25	9:45	Andrew Howell*	Autonomous Technology for Aquatic Plant Management
9:45	10:10		Break

Oct 18th Thursday AM2 Session 9 (What's on the Research Horizon...)

100 mins

10:10	10:15	Raffle Drawing	
10:15	10:35	Kevin Damaso (Appl)	The Effects of ProcellaCor_SC on <i>Hygrophila</i> , <i>Hydrilla</i> , <i>Rotala</i> and Crested Floating Heart
10:35	10:55	Megan Reid *(LG)	Surveys for potential biological control agents for <i>Nymphaea mexicana</i> Zuccarini in South Africa
10:55	11:15	Mike Sowinski	Red Root Floater (<i>Phyllanthus fluitans</i>) Update
11:15	11:35	Kyle Thayer* (LG)	The Azolla Event
11:35	11:55	Alex Onisko* (GM)	Identification of Common Wetland Sedges in Florida

End of Conference

FAPMS VISION AND MISSION

FAPMS was formed in 1976 and provides a forum for those interested in aquatic plant management to meet, discuss and exchange ideas and information. Membership is open to everyone who is concerned about Florida's aquatic ecosystems, flood control, irrigation systems, and aquatic-based recreation.

VISION

To be a leading resource for promoting excellence in the stewardship of Florida's aquatic ecosystems.

MISSION

To provide the education and resources necessary to support responsible stewardship of Florida's aquatic ecosystems through comprehensive plant management.

OBITUARY

Michael Joseph Bodle
Jul 6, 1956 Aug 26, 2018

Michael Joseph Bodle, 62, died August 26, 2018 in West Palm Beach, FL. He was born on July 6, 1956, in Lafayette to the late John F. Bodle and Mary Kayser Bodle. Mike graduated from West Lafayette High School in 1974 and received a bachelor's degree from the University of Notre Dame. He went to graduate studies in Aquatic Botany at the Florida Institute of Technology, Melbourne, FL. He began his professional career as a Biologist at the Florida Department of Natural Resources in 1982, later working at the South Florida Water Management District, where he served as a Senior Environmental Scientist, retiring in 2017.

A lifelong public servant, Mike made important contributions to the invasive species field, drafting Florida's first "Melaleuca Management Plan" in 1989. This document became a model for many other invasive species plans across the country. He loved scouring used bookstores for old botanical works and his charismatic and approachable style made learning about invasive plants fun.

Mike served as President for the Florida Aquatic Plant Management Society in 2010 and as editor of the society's Aquatic magazine for many years. He enjoyed writing and his frequent contributions to the magazine always offered interesting botanical information with at least one joke hidden in each article. He was an active board member of the Florida Exotic Pest Plant Council, the Southeast Exotic Pest Plant Council and the Florida Native Plant Society. He also served on the Editorial Board for Wildland Weeds magazine. He will be remembered affectionately by invasive species managers all over the world.

Mike treasured his time spent on the shores of Lake Michigan and loved attending Notre Dame football games with beloved friends. He loved great music - with tastes ranging from Elvis Costello and the Violent Femmes to the opera, was an avid reader, and served as the winning secret weapon at Trivia Nights. Mike also spent many years working with young Special Olympics athletes. He never ordered French fries in a restaurant but was famous for swiping them from lunch mates with an unapologetic "Oops."

Mike is survived by his siblings: David (wife: Mary), of Indianapolis, Thomas, of San Francisco, CA, Kathy Bodle-Perez (husband: Augustine), of Bloomington, IN, Steve (wife: Michelle), of Stow, OH, and Caroline Mooney (husband: Mike), of Lafayette; nieces and nephews: Jeff Bodle, Elizabeth Karow, Christopher Bodle, Matthew Downs, Nicholas Bodle, Jacqueline Mooney, Megan Mooney and Grace Mooney. A Celebration of Life is to be held September 22, 2018 at Mounts Botanical Garden of Palm Beach County, 531 N. Military Trail, West Palm Beach, FL. A Mass of Christian Burial will be held at 10:30 a.m. on October 6, 2018 at St. Thomas Aquinas Parish, West Lafayette with a luncheon to follow. Burial will be at St. Boniface Cemetery, Lafayette.

To send flowers or a remembrance gift to the family of Michael Joseph Bodle, please visit <http://m.fisherfuneralchapel.com/obituaries/events?obituaryId=3258553>
