

CALL FOR POSTERS – FAPMS 2024 MEETING

The FAPMS 487th Annual Training Conference will be held October 7-10, 2024 in Daytona Beach, FL. We are looking for posters on herbicide application and mechanical techniques (aquatic, natural area, and right-of-way), mixtures, innovative control measures, re-vegetation projects, new exotic plant introductions, research projects, etc. We welcome posters from researchers, scientists, students, applicators and other field personnel – in short, anyone involved in aquatics! You don't have to be a professional speaker to present a poster! Remember, FAPMS was formed for the aquatic plant manager and the annual training conference is a chance to share what you have learned with other members. There will be a separate Poster Session where poster presenters will have a chance to discuss their work.

1st place will receive \$150.00, 2nd place \$100.00, and 3rd place \$50.00.
